

1.13 Transfer Policy and Transfer Orders:

- ✓ AWEIL HR Policies including transfer policy are under finalization.
- ✓ Transfer orders are issued in the Company from time to time based on Organizational/functional requirements, Individual requests etc. The transfer orders are internal documents and are notified internally as and when such transfer take place. Since the issuance of transfer orders is dynamic and the orders have no direct connect with general public interest, the same are not made available here.
